# Parents

---

## Cathy (aged 44)

- Part time cleaner
- Gets kids ready in the morning and takes them to and from school
- Mostly responsible for food shopping & preparation
- Sometimes her mother helps
- Likes alone time at night with wine & chocolate

## Johnny (aged 44)

- Works full time at building sites
- Leaves for work before everyone else
- Pack his lunch and has mid-morning break with tea & a snack

# Children

---

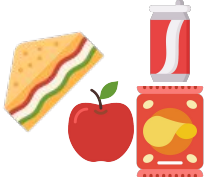

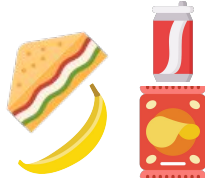

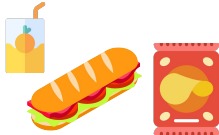

## Nathan (aged 15)

- Usually buys lunch at the school canteen or as a supermarket meal deal
- Brings a fizzy drink & snack with him for the morning
- On Fridays he usually goes to Subway with friends.

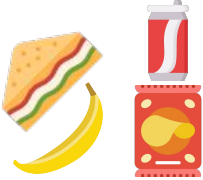

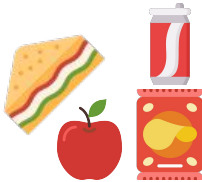

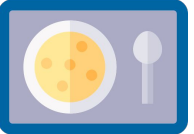

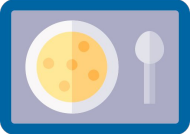

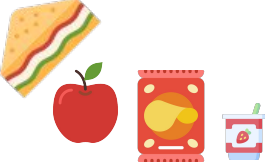

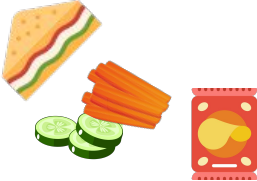

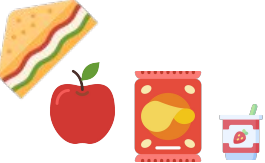

## Reuben (aged 10) and Harley (aged 7)

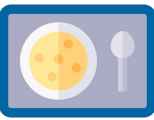

- Both take school meals about 3 times per week and packed lunch 2 times per week
- It works better for the family for both to take packed lunch or a school meal on the same days, even if Harley is entitled to free meals every day
